DEDICATION

BROTHER LEO ROTHERMICH
OUR PRINCIPAL

We the seniors of 1954 respectfully dedicate our yearbook to Brother Leo Rothermich, who is celebrating his 25th anniversary as a religious in the Society of Mary, in the hope that when we, in the future, page through our yearbook, may be reminded of him and the ideas to which he inspired us.

His helpful guidance and supervision will always remain with us as a guide to our future lives.

Brother Leo began his career at McBride High School. The big decision of his life came when he decided to join the Society of Mary. Finishing his scholasticate at Maryhurst, he received his vows in 1929.

He seems to like boys and takes a great interest in their activities and well being.

To Brother Leo Rothermich we, the senior class of 1954, extend our sincerest wishes for a happy Silver jubilee.

HIS EXCELLENCY

THE MOST REVEREND ALBERT R. ZUROWESTE, D.D.
BISHOP OF BELLEVILLE

We, the Seniors of 1954, have the honor of being the first graduating class to have completed a full year in Assumption High School. This was made possible, to a great extent, through the prevailing efforts of our beloved Bishop, Most Reverend Albert R. Zuroweste, D.D.

It is at this time that we take the opportunity to thank His Excellency for the advantages offered us by a Catholic education. We believe Assumption is one of the finest schools in the nation and that we have been offered the chance for the best education available. For this reason we owe Bishop Zuroweste a great debt of gratitude.

May God bless him and our Holy Mother Mary be his refuge in all undertakings.

SUPERINTENDENT

FATHER ARTHUR J. GOLDAMMER

Sunday, May 30, 1954 is graduation day for the first Senior Class that has completed a full year of studies in the new Assumption High School. This is indeed a milestone in the progress of secondary education for boys in the East St. Louis area and a tribute to all who in any way had anything to do with the construction and maintenance of this fine new building.

During the past year I have noticed a marked increase in the enthusiasm and cooperation of the students. The fine spirit exhibited by the students as a whole, and the class of 1954 in particular, is indeed a happy omen of better things to come. In the building of the new school a big job has been accomplished, but in the maintenance and improvement of the existing buildings and grounds a big job remains to be accomplished. It can and will be successfully completed only with the continued cooperation of all concerned. I am sincerely confident that this cooperation will be forthcoming. My fervent and daily prayer is that Almighty God and His Blessed Mother will shower their choicest blessings on each and every member of the 1954 graduating class. God be with you in what ever you do in the future life and don't forget to come back and see us once in a while.

Sincerely yours in Christ,
Father A. J. Goldammer

PRINCIPAL

Dear Graduates:

My congratulations to you, the class of 1954, on having completed your high school training.

Yours, indeed, has been a fortunate class. The 1954 class is the first to have spent a full year at the new Assumption High School—a school dedicated in a special way to our Blessed Mother. You have had the opportunity of daily Mass and Holy Communion. Your class have taken an active part in establishing the Student Council of Catholic Action with its special stress on developing Catholic leaders and inculcating a real personal devotion to our Blessed Mother. Surely the Marian Congress and the shrine exhibit will be long remembered.

Your class is privileged to graduate during the Marian Year—a year replete with opportunities of gaining graces from our Blessed Mother.

Before you begin your walk on the path of life that God has designed for you, think over the wonderful opportunities you have had; and, remember that to whom much has been given, much will be required. The administration and faculty of Assumption High School will be expecting great things from the class of 1954.

May the good Lord and His Blessed Mother give you the grace to make the best use of the opportunities you have received.

Sincerely in J.M.J.,
Bro. Leo Rothermich

UNDERCLASSMEN

MESSAGE TO THE UNDERGRADUATES . .

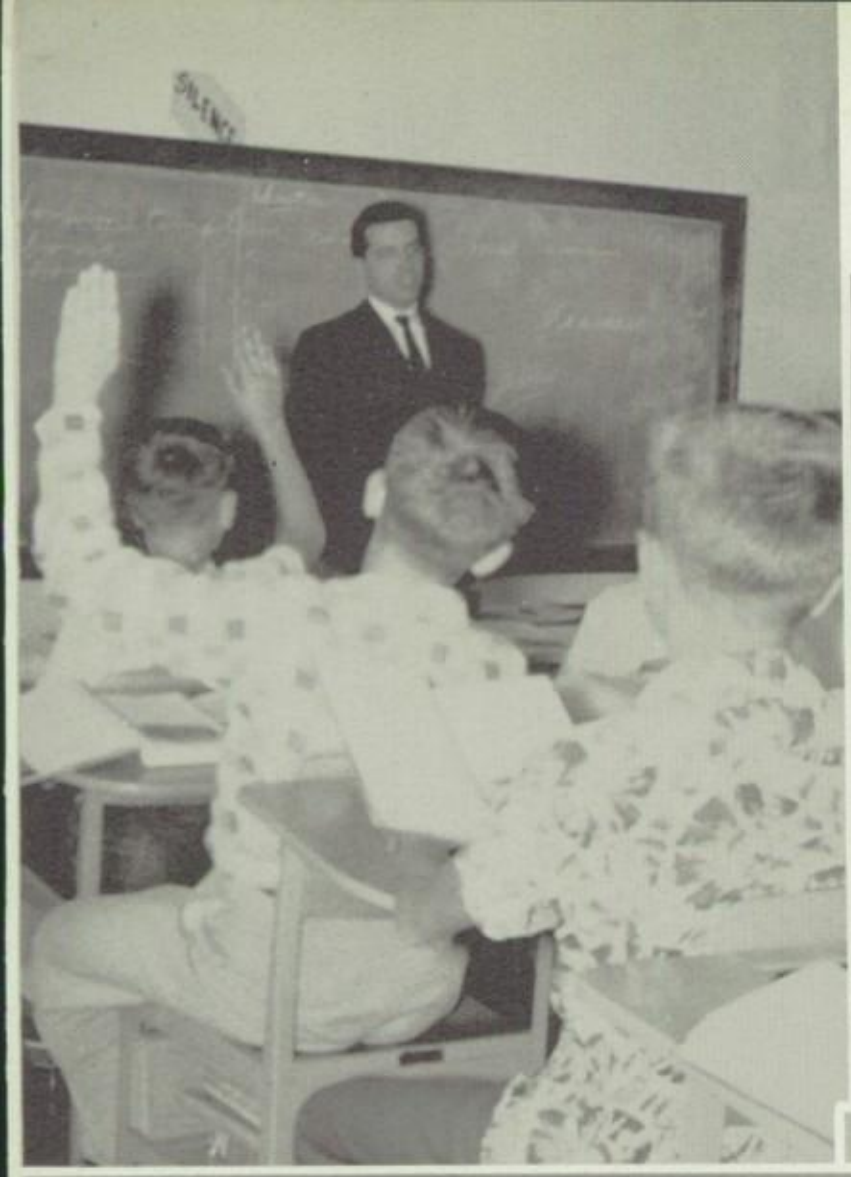
The year 1954 is an eventful one for us. It is the year we seriously face the future. But you also face the future with us. In a short time you will be in our position. Let us view the future with the optimism inborn of our youth.

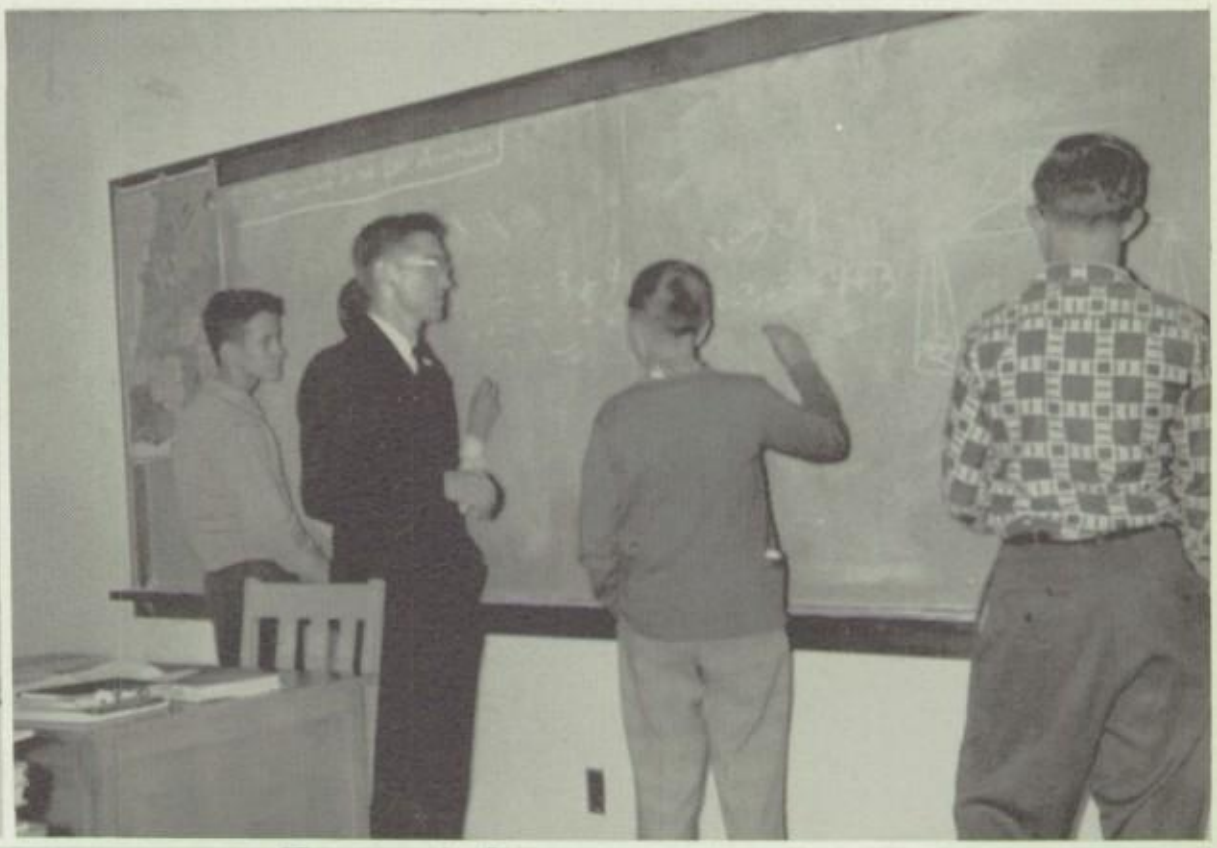
Our future will most certainly see our Church and Country reach new heights of glory. If we resolve that with faith in God and a strong heart all obstacles can be overcome, we can be a vital force in promoting the cause of Catholicity and Democracy. This then, is our role: for God and country.

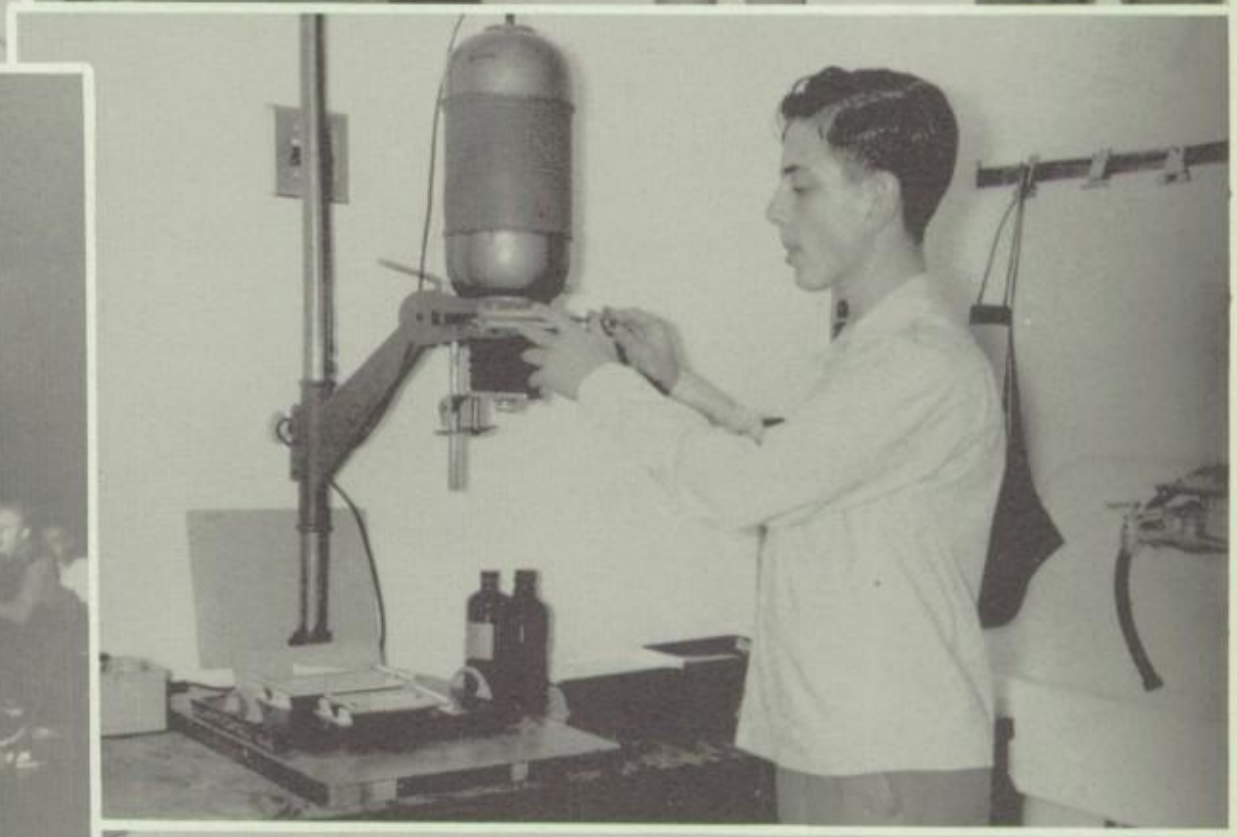
Four years at Assumption have produced many cherished friendships. We have been united under the banner of Assumption High School. Now we depart from that particular union, but we are still in a sense, united with you as alumni. Let us preserve those friendships and, united in a common bond, defy the world to do what's right.

SENIORS OF '54

Underclassmen in Action







PER MATREM . . .

AD FILIUM

THROUGH THE MOTHER . . .

TO THE SON

To Mary, Mother of God and our Mother, Queen of Heaven and Earth, we, the Seniors of 1954, humbly dedicate our future lives in gratitude for the guidance she has given us during our high school years.

We are indeed fortunate to end our high school careers in this year of Our Lady, the Marian year. It is our earnest prayer that the Mediatrix of all graces will continue to guide, protect and shower us with graces, not only during this her year, but also throughout the rest of our lives.

May Mary our Mother never cease her watchful care till we are united eternally in Heaven, with her and her Divine Son, Jesus Christ.

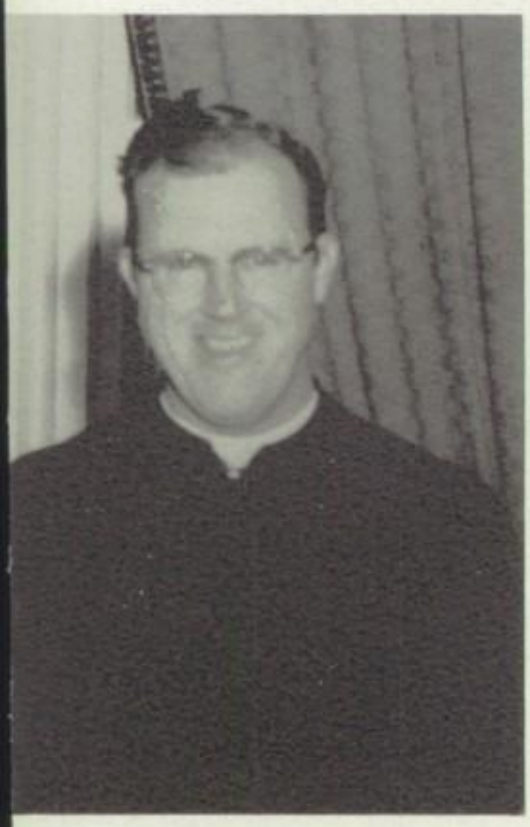
RETREAT



Father James McCormick

The annual student body Retreat was conducted by Reverend James R. McCormick September 30 through October 2.

Father McCormick's talks were concerned mainly with the morals and conduct of the modern teenager. He pleaded with the students to conduct themselves as good Catholic young men.

May God reward Father McCormick for the Spiritual uplift derived by the students from the Retreat and from his timely sermons.

MOTHERS' CLUB INSTALLATION OF PRESIDENT

To our mothers, we, the seniors of 1954, wish to extend our heartfelt gratitude for their unending work in our behalf.

No amount of words could express our feeling for our mothers. Only by our prayers and love for them can we hope to repay them.

May God always bless you, our mothers, in a special manner, because you mean so much to us.

MOTHERS' CLUB ACTIVITIES

FATHER AND FRIEND CLUB ACTIVITIES

Fred Pope making ticket returns to Bill Beckman, Henry Zittel and Bill Foley left to right.

The activities of the Father and Friend Club cover many phases of school life, but they are especially concerned with the athletic side of school life. Throughout the years this has been evidenced in an ever improving athletic program backed by the Father and Friend Club.

Members of the club are fathers of the students and friends of Assumption. Their famous annual "Chicken Mulligan" and "Fish Fry" and "Homecoming" are three of the club's more prominent social activities.

John Keeney, chairman of the "Chicken Mulligan."

The very existence of the Father and Friend Club has proven a highly vitalizing stimulus to school spirit. We can only say "thanks" to our Dads and our friends for their active interest in our school. We think they would consider any other words superfluous. But we do owe them a debt of gratitude and we wish to acknowledge it by saying "Thanks, Dad."

Sponsors of the Football Dance, the Annual Boxing Tournament, and the Turkey Raffle, buyers of baskets for the gym and proprietors of the concession stands at football games, the Alumni Association is one of the most active clubs at school.

Each year it buys equipment for the athletics of the school and strives for the all around betterment of the school.

We the seniors, representing the entire student body, congratulate and offer our most sincere thanks for all you have accomplished the past year; and as future alumni hope that we can help continue the good work.

Johnny O'Brien's debut as a high school cage coach was a booming success at his alma mater—Assumption High School—as he led the Pioneers to one of the most successful cage seasons in the school's history.

The Pioneers triumphed 16 times in 24 games, and rolled up the remarkable mark of 12 victories in 14 games at home. The only defeats suffered on their own floor were to Cahokia Commonfields (66-60) and to the East St. Louis Flyers (69-27).

Rich Pawlow, Dick O'Brien—John's kid brother—Eddie Bauza and Dave Schmitt were the main offensive cogs all year long, time and again coming thru when the team needed them most.

Pawlow was the leading individual scorer with 277 points, 11.5 points per game average. O'Brien was second in the scoring column with 241, a 10 point per game average. Bauza averaged nine points per game and paced the regulars in shooting percentage with .378. Eddie hooped 65 baskets in 201 tries. Schmitt was the leading rebounder and chipped in 146 points.

Next year Johnny O'Brien will have an experienced team, for he will not lose a single player by graduation.

George Martz deserves a pat on the back for another job well done in handling the 1954 edition of Assumption High School's baseball team.

Martz, who has a reputation for grooming commendable diamond teams, led the Pioneers in another winning season. After they were eliminated from District play by Granite City, 2-1, the Pioneers finished the campaign with 18 victories, six losses and one tie. Included in the triumphs were two highly-regarded victories over the East St. Louis Flyers. The first was by the top-heavy score 11-3, while the second was a 6-4 squeaker in 10 innings.

Catcher Allan Martz paced the Pioneers offensively with a .387 bat mark and drove in 17 runs. Cobby Perez was the leading run producer with 21 RBI's and hit .313. Other regulars above the .300 mark were Bobby Rutledge and Paul Mackin.

Senior Bob Peterson was the ace of the mound staff—percentage-wise—with five triumphs in as many decisions. But the top pitchers with the chips down were Eddie Bauza, Richie Pawlow and Lou Holdener. Bauza won seven and lost two and one of the setbacks was the 2-1 heart-breaker to Granite City. His earned run average was an amazing 0.97 and he fanned 47 batters in 58 innings. Pawlow had a 2-1 mark and a 1.06 ERA, while Holdener won four and lost three, striking out 40 batters in 43 innings.

LAST WILL AND TESTAMENT

BE IT KNOWN THAT: We, the graduating class of Assumption High School, being of questionable sanity, and being in an overly-generous mood, do hereby out of sheer foolishness, and for no good reason at all ordain these, that and the other things related to the following nonsensical bequests to the undergraduates of our beloved alma mater, to do as they will. We hereby proclaim the following to be our Last Will and Testament:
